Nutritional Secrets to
getting & staying focused!
SO SMART!

So Smart! is a wonderful 2 hour event which reveals the secrets to increasing our children's learning capacity. I grew up on hot dogs, creamy pastries, cheesy pasta, etc. We know it today has the Standard American Diet. (S.A.D.) - vitamins were a luxury my family could not afford.

I learned in my later years some truly life-altering SECRETS that changed my capacity for learning, focusing, memory and alertness. I want to share those cutting edge secrets with you so you can pass them on to your children.

We will cover both the basics and advanced Science behind nutrition, supplementation and dietary needs to change our paradigm of learning. I went from very low grades, a dishwasher in a restaurant with an uncertain future to Canada's Leading QRA™ Expert, A Culinary Nutritionist and Professional Health Coach.

Our Free Seminar takes place on **Saturday March 4th at 11am**. It will include a FREE Buffet Lunch, lots of hand-outs and some Truly Amazing Secrets. To attend you must be pre-registered. Go to BGangel.com for more details or call our direct Hot-Line at 647 286 1439. So Smart!
